The event is open to ALL youngsters (not just Scouts and Guides) aged 7 to 12 years of different faiths, and none, to have FUN, get to know each other and learn something new together about each others' faiths.

Prizes will be given to Top Contenders and Certificates will be awarded to all participants in 2 categories i.e. 7-9 years and 10-12 years. The activity will count towards Scout and Guide faith badges and the More In Common badge.
