

Pathfinder Lodge No.8596 Valentines Night

Dear Leader

In 2019 The Pathfinder Scout Lodge will once again be hosting two activities in co-operation with the County Scout Association, both of which we respectfully bring to your attention. February 14th will be Valentines Night when we hope once again, enjoy the company of Leaders and their Partners. All those of you who are still romantically inclined, young or old are invited to join us.

As many will be aware, Pathfinder along with other Lodges throughout the Province have been busy raising funds for a variety of good causes. So far 2022 festival has distributed over £1m to nominated good causes in the Province and we still have 4 years to go before we can sit back and take a breather. Sadly we have not been able to provide support to every application as the response from Scout and community based groups has been overwhelming. Similar amounts have also been distributed within neighbouring Provinces.

It is hoped that those who attended The Leaders Night in March 2018 will wish to join us again on this new date and perhaps invite their fellow Leaders to come along as well. Especially those who may like to treat someone special in their Group.

The other activity will be the County Awards evening on April 7th. This will be publicised throughout the County and we look forward to welcoming all those who have gained awards during the year. Last year was a great success and will once again be held in the Masonic Temple in Northfield.

I do hope you can join us and look forward to greeting you in person on one or both of the activities.

Have a Prosperous New Year

WBro. Steve Malin.

Worshipful Master Pathfinder Lodge 2018-19

PS. Please let the Ken Elston know if you wish to have a special mention of someone at the Festive Board when you send your application.
